- Do you want to respond quickly and effectively to new business opportunities?
- Do you want to compete for new business?
- Do you want your business to grow and increase profit?

If you answer “Yes!” to any of the above , our team can help you prepare your business to move forward.

Redcap provides a unique Bid Ready service developed by Buying Professions to give you a winning edge. This flexible approach is focused on your achievements, we work with you to improve your success rate, developing bottom line growth, whilst providing close attention to each stage of the process.

We can help you with:

- Tender Audits and past Bid Review to assess what you need to do
- Bid Ready, Tender Preparation
- Bidding Strategies
- Tender Writing Assistance
- Team capability and capacity building.

Tender Ready Audit makes sure you are **READY** by verifying your process and data.

Bid Ready makes sure you are **STEADY** and prepared to bid by assisting you to prepare your tender pack.

We believe that to get the enthusiasm behind your winning bid and to prepare you to **GO**, you need to control the writing of the tender and we can assist.

Contact us, we can help you prepare to grow and win future business!
